

An hour is fast coming when only one subject will be important, and that subject will be Christ! Every person on earth should think about Christ. There is no one to whom all the world owes so much.

If you have never thought about Christ before, start thinking about Him now, and what He has done for you. Wake up and see the value of your soul, and the immense importance of being saved. Get a Bible and begin to read it.

Call upon the Lord Jesus Christ in prayer, and ask Him to save your soul.

WHAT DO YOU THINK OF CHRIST

WHAT DO YOU THINK OF CHRIST?

"What think ye of Christ?" **Matthew 22:42**

WHY SHOULD WE THINK OF CHRIST?

I know that many are ready to say, "Why should we think about Christ at all? We want food, drink, money, clothes and pleasure. We have no time to think about Christ."

Today, this is the way most people think. They never go to church. They never read the Bible. The world is their god. But whether we like it or not, we will all have to die one day. We all have souls to be lost or saved in a world to come. We will all have to rise again from our graves to be judged by God.

CHRIST STANDS IN THE GAP BETWEEN GOD AND US

He is the eternal Son of God, and He is the only way we can come to know God the Father. He is the appointed Mediator between God

and man, and it's only by putting our faith in Jesus Christ that we can be reconciled with God, pardoned, justified, and saved from eternal punishment.

In Him alone there is hope for us through salvation. "He that hath the Son hath life; and he that hath not the Son of God hath not life." **1 John 5:12**. There is no person, living or dead, of such immense importance to all people as Christ. There is no person that we should think about so much as Christ.

WHAT HAS CHRIST DONE FOR US?

When we were lost, spiritually bankrupt, and helpless, He left Heaven to come into the world to save sinners. He suffered for sin on the cross, as our substitute, He bore our sins in His own body, and shed His own lifeblood to pay our debt to God. He died for us that we might live. Christ is the great source of light and peace and hope. **Should we not think of Christ?**

WHAT IS CHRIST GOING TO DO?

The Bible tells us that one day Jesus Christ will come again to this earth in power and glory, and raise the dead from their graves. He shall set up His judgment-seat, and summon all mankind to stand before it. To Him every knee shall bow, and every tongue shall confess that He is Lord.

Not one of us shall be able to escape that solemn gathering.
